

June 10 - July 5, 2024

Study Historic Preservation and Conservation in Italy

We welcome students from various disciplines, both undergraduate and graduate, to join us for this incredible learning experience. All courses are conducted in English, ensuring accessibility for students from diverse backgrounds.

If you know any students, scholars, or others interested in this type of study, please inform them about our program. We would appreciate it if you could list our program on your organization's website as an available educational resource.
